Dear Greg,

Thank you for your generous gift to Victory Junction through the Majestic Floor Covering Golf Tournament - a fundraiser for the benefit of Camp! We received \$150.00 on October 10, 2018. Because of you, every child is able to come to camp at no cost. That is a gift beyond measure!

The Victory Junction experience is like no other. Campers learn and strengthen valuable, transformational life-skills. They are also encouraged, inspired, and moved beyond their limitations through counselor and peer relationships developed at camp.

By giving to Victory Junction, you are giving the gift of smiles, abilities, self-esteem, determination and memories. We are so grateful for your gift of friends, fun and freedom!

We invite you to connect with us, get involved, and learn more! Please visit Victory Junction in person or online at victoryjunction.org!

Thank you for giving the gift of camp!

Sincerely,

Chad A. Coltrane
